

ALIGN WELLNESS STUDIO

COVID-19 GUIDELINES & PROCEDURES

- Following CDC and state guidance, face masks are currently not required. **Please mask at your comfort level.**
- We have increased air filtration throughout the studio with medical grade filters in both the HVAC system and the portable room air purifiers in every studio.
- All equipment loops and handles have vinyl covers for easy disinfecting.
- All equipment and props will be cleaned with CDC approved products after every session.
- All staff are fully vaccinated.
- Hand sanitizer is available throughout the studio.
